2. The Director of Fisheries has stated that some of the staff in para 1 above are engaged only in work other than deep sea fishing and that their pay and allowances may therefore be debited to other appropriate heads of accounts. The Government agree with the Director of Fisheries and direct that the pay and allowances of the staff detailed below be debited to the heads of accounts noted against each.

STAFF	HEAD OF ACCOUNT TO WHICH COST MAY BE DEBITED.
TANJORE DIVISION	
1) One Sub-Inspector of Fisheries	43 Industries & Supplies -e. Fisheries. F. Inland Fisheries (1) General.
MANGALORE DIVISION.	
2) One Sub-Inspector of Fisheries.	S. Fish Curing yards.

The Director of Fisheries is requested to state to which head of account may be debited the pay and allowance of the Sub-Inspector in Kozhikode division who is reported to be attending only to Fish Curing Yards and Inland Fisheries.

3. The Director of Fisheries has stated that three Supervisors sanctioned for deep sea fishing and allotted for Mangalore Division are not necessary. These posts are not therefore included in the staff continued in para 1 above.

The Director of Fisheries has reported that the following posts are kept in abeyance from 30-5-1951:-

-p.t.o.

1 Syrang
1 Quartermaster
1 Assistant Driver
1 Oilman and
1 Bhandary.

Hence Santion is accorded to the continuance of the above posts from 1-4-1951 to 29-5-1951 only.

4. Sanction is also accorded to

(i) A non-recurring expenditure of Rs.50,000 (Rupees Fifty Thousand only) on the purchase of fishing implements such as nets, hooks, lines, sail cloth etc. and

(ii) A recurring expenditure of Rs.99,390/- (Rupees ninety nine thousand three hundred and ninety only) on wages to fishermen, cost of bait, repairs to boats, etc.

In view of the need for economy, the sanction for the expenditure has been limited to that sanctioned in G.O.Ms.No. 3563 Development dated 8-9-1950. The Director of Fisheries is requested to limit the expenditure to the minimum.

5. The Director of Fisheries has suggested that two Motor Fishing Vessels may be allotted to pearl and chank fisheries work in Tuticorin, two for Ramanad chank fishing and one to Krusadi island for taking visiting parties. The need for these vessels in their proposed destinations has not been explained. It will not be correct to make the proposed transfers without adequate justification, simply to pass on the expenditure on these vessels so as to make the scheme for Deep Sea Fishing operations self-supporting. The vessels may have to be disposed of unless there is convincing need for them in connection with the other schemes.

The Director of Fisheries is requested to consider the above points and to justify his proposal in greater detail if necessary.
